## Renting Vehicles on the way to Bethlehem Farm

This document will relate primarily with groups that plan on flying in, then driving, and/or our high school groups.

### Tips

- Before you rent a vehicle please be sure to review our vehicle policy (high school groups in particular).
  - Our vehicle policy can be found in the Registration Packet at: [www.bethlehemfarm.net/registration](http://www.bethlehemfarm.net/registration).
- If your budget allows...
  - Minivans tend to be good vehicles in transporting people and cargo.
  - A good trunk space is handy in bringing tools and supplies to/from work sites.
  - Have multiple drivers registered to drive the vehicle(s) – it makes it easier in getting groups to and from the work sites.
