

## Directions to Bethlehem Farm from the North:

Please arrive at the Farm between 6:30pm and 7:00pm Eastern time having already eaten your evening meal. Earlier arrivals should wait, since we are not ready for guests until 6:30pm. If you will be arriving later than 7:00pm due to unforeseen delays, then please call us ahead of time to let us know **(304-445-7143)**. Later arrivals will make for a very late night for all of us (after tours, orientation, prayer, and the leader meeting), so please do your best to arrive on time. Thanks!

take **I-79 S to (Exit 57) US-19 South** towards Summersville

Please, call us in Summersville, so that we know when to expect you. Drive safely and be well.  
**304-445-7143**

After about 30 miles, when you get to Summersville, **turn left on WV-39 E** (at the 5<sup>th</sup> traffic light)

After about 12 miles on WV-39, you will enter the town of Nettie and **turn right on WV-20 S**

After about 19 miles on WV-20, you will enter the town of Charmco and **turn left on US-60 E**

After about 10 miles on US-60, you will see signs for I-64.  
**Get on I-64 E** (towards LEESBURG) for ONE EXIT

**Take the WV-12 exit- EXIT 161-** toward ALTA **turning right on WV-12 S**

After about 12 miles on WV-12, you will enter the town of Alderson,  
Stay on 12 through Alderson  
Less than one mile after leaving Alderson, you will enter Summers County  
(pass by Big Branch Rd, Eagle Branch Rd, and Falling Branch Rd)

Less than one mile after entering Summers County, **turn right on EAST CLAYTON RD**

(East Clayton Rd is less than 100 yards past Falling Branch and is hidden behind a cliff, so begin slowing down once you pass Falling Branch Rd)

Follow East Clayton Rd for about 4.3 miles until you see **the sign for Bethlehem Farm on the left at the foot of our gravel driveway.** (on Clayton Rd, you will pass Griffith's Ck Rd (bearing left at the fork), go up a long, windy hill, cross a long straightaway (past Top of the Hill Farm, Way Back Farm and the Lester Farm,) head back down hill past Pine Grove Farm, bearing left at the fork (the road is now called West Clayton Rd), and past a sign for Clayton Baptist Church before coming to our driveway. Our driveway is on the left, ½ mile past the sign for the Clayton Baptist, right at the intersection with Kirby Mtn Rd. Kirby Mtn. Rd. will be 90 degrees to your left and our driveway will be just a gentle veer to the

left. Clayton Rd actually bends to the right at this point, so you are practically just going straight to get onto our driveway.

Since Clayton Road *feels* a lot longer than 4.3 miles due to the slow speed and curvy nature of the road, it may be best to set your trip odometer to zero at the beginning of Clayton Road, so you know that our driveway should be right at 4.3 miles.

**Follow driveway for a ½ mile**, waving to our neighbor's cows as you pass by. Say hi to our neighbor's cows, pull up to the log home, turn off your engines and get hugged.

We are about 30 minutes from I-64, depending on conditions. We are about 3½-4 hours from Morgantown with one brief fuel stop, depending on conditions.
