2026 Group Registration Packet

Dear Group Leader,

Greetings from Bethlehem Farm and thank you for expressing interest in us! Bethlehem Farm is a Catholic community in Appalachia that transforms lives through service with the local community and the teaching of sustainable practices. We invite volunteers to join us in living the Gospel cornerstones of community, service, prayer, and simplicity.

Volunteers at the Farm can expect to live a week of simplicity, free from the distractions of cell phones, television, radios, watches, or other luxuries. During this week, they also have the opportunity to learn new skills, meet new people, and grow in faith through prayer and reflection of their experiences. We hope that volunteers will leave Bethlehem Farm with a greater understanding of the people of Appalachia, a foundation of faith, and a desire to continue serving others within their home communities.

Our registration packet contains a group reservation form, a schedule of available group weeks, our registration policy and Bethlehem Farm "Week at a Glance." This packet is available to print on-line. Please print out the entire registration packet and read all the information carefully. Feel free to contact us with any questions and please note that if you have email, it will be the primary form of communication.

Our participation fee for volunteer groups is **\$450.00** per person for High School groups and College groups. In addition, **we rely on the vehicles that volunteers arrive in for transporting groups to worksites.** We greatly appreciate your assistance with this and ask that you please keep this expense in mind as you plan the total cost of your trip.

Here are a few important notes to keep in mind:

1. **Effective October 1, 2024** the Farm is not requiring a Covid-19 test but is recommending a pre-trip test with no test results required and strongly recommend if a participant is exhibiting Covid-19 symptoms they should not attend the group week. This policy is updated when appropriate. **Effective June 1, 2025** Bethlehem Farm is recommending that the MMR and DTap / TDap (diphtheria, tetanus, pertussis) vaccines are up to date for all group week participants.
2. Your deposit of **\$50.00 per person** (volunteers and chaperones) must be included with the reservation form to reserve space for your group. We cannot accept phone, fax, or email reservations. High school week reservations must be **postmarked by September 30th**, college week reservations must be **postmarked by August 15th** to be placed in the lottery. Reservations for fall, family and adult weeks must be **postmarked by February 1st**. Four business days after the deadline, we will conduct the lottery assuming all timely reservations have arrived.
3. Please send a deposit for the number of volunteers you hope to bring. After the lottery, we will let you know how many people from your group we are able to host on the week(s) you requested. **You may request to bring from 5 to 34 people on any given week.** Volunteers must be 16 years or older, or entering their junior year of high school (except on family week). As part of a high school volunteer group, you must include **one adult chaperone for every seven youth.** We recommend that one of the chaperones be a youth/campus minister or someone involved in youth/campus ministry and at least 25 years of age. The other chaperones must be 21 years of age or older.
4. **High school groups are required to bring at least 1 chaperone per 7 students.** If you are bringing a co-ed group of students, you **must** bring one female and one male chaperone. If you are bringing an all boys group, you must bring at least one male chaperone. If you are bringing an all girls group, you must bring at least one female chaperone.
5. **For high school and family weeks, all participants 18 and over** are required to complete an **Adult Background Form.** This form should be mailed to us with your volunteer contracts, medical forms, and hold-harmless agreements, at least thirty days prior to your scheduled week or by April 1st, whichever arrives first. When you have reserved a week at the Farm, we will direct you to these forms on our website.
6. You are responsible to pay the full balance due on all spots awarded unless you cancel extra spots prior to the cancellation/final payment date for your group week (Oct. 31st for Jan groups, Jan 10th for March groups, Jan 31st for April groups, February 28th for May college weeks, March 31st for June and July high school weeks, May 31st for Adult and Family Weeks, July 15th for Adult Week, and August 15th for October college weeks). After that date, cancellations cannot be refunded unless Bethlehem Farm is able to replace the spots. If Bethlehem Farm can fill the spot(s), you will be refunded for every person we replace. The deposit of \$50 per person is non-refundable unless your group is not selected in the lottery.
7. We rely on groups to transport students to and from worksites throughout the week in your vehicles. Bethlehem Farm, in compliance with Wheeling-Charleston Diocese regulations, **does not permit the use of 11 - 15 passenger vans** (E-350, E-250, 3500, or 2500 chassis, etc.) to transport minors while at Bethlehem Farm. Groups that arrive with improper vehicles will be **required** to rent appropriate vehicles for use during the week from rental facilities.
8. Groups that fail to comply with the above policies may be withheld from participating in the following year's lottery.

Again, thank you for your interest in bringing a group to Bethlehem Farm. If you have any questions, please call or email us at (304)-445-7143, volunteer@bethlehemfarm.net. God bless you and your ministry!

Peace and blessings, Steve Rassa Volunteer Coordinator

Registration Policy

Our Board has set the following registration policy for the present time. Policies evolve over time as the needs of the Farm change, so please review it carefully as you complete the registration application for yourself or your group.

Priority Registration In an effort to build relationships with the surrounding community and to foster relationships with schools and parishes, Bethlehem Farm gives first priority to those groups (and individuals for adult and family weeks) that have attended the most previous years. Returning groups are not guaranteed to receive the same number of spots as in past years, in an effort to accommodate as many parish and school groups as possible. Group weeks will be filled first by all applying returning groups. In the case of a tie, a lottery will be conducted.

In order to develop new relationships with parish and school communities and reward persistence, Bethlehem Farm gives second priority to groups that submitted their deposit and registration by the previous year's priority registration deadline and did not receive any spots (hereafter referred to as "wait-listed" groups) and also submit their registration and deposit by this year's registration deadline. Once the returning groups are placed into the schedule, these wait-listed groups will be accommodated next (in order of most years on waiting list to least).

Bethlehem Farm gives third priority to groups that submit their registration and deposit by the registration deadline, but are not returning or wait-listed (hereafter referred to as "new" groups). Once the returning and wait-listed groups are placed, the remaining spots will be awarded to new groups. If there are more new groups applying than there are spots available, then the spots will be awarded through a lottery process, giving equal consideration to each group. The lottery will take place approximately one week after the deadline, to allow for the mail to travel here.

Groups with priority have until the priority registration deadline to reserve their week by sending in their deposit and registration form. Any group not selected by the lottery system will be put on a waiting list and will be contacted if any spots open up. Any applications postmarked after the appropriate priority registration deadline will be put on the 'late' waiting list and will be offered spots, if any are available, in order of postmark dates. Express mail returns hold the same stipulations as First Class mail. Registration packets are available online.

Priority Registration Dates In order to receive a priority status, returning/waitlisted groups must have their group reservation form and the deposit postmarked by the following dates:

| | |
|---------------------------------|----------------------------|
| College Group Weeks | August 15 th |
| High School Group Week | September 30 th |
| Adult/Family/Fall College Weeks | February 1 st |

We will accept, mailed, fax, email, or other electronic (Facebook, etc.) reservations. A completed reservation is defined as: a received completed and signed registration form and a received deposit payment of \$50 per registered participant. After the lottery, we will let you know which week and how many volunteers we are able to host on the week(s) you requested. You may request to bring from 5 to 34 people on any given week.

Notification of Registration Groups will be notified by email when the final 2026 group week calendar is completed. It is a group's responsibility to confirm receipt of their registration.

Bethlehem Farm Policies

Deposits Your deposit of \$50.00 per person (for volunteers and chaperones) must be included with the reservation form to reserve space for your group. The deposits are generally paid by check, but we can accept credit cards (2% processing fees will be added). Deposits are non-refundable unless cancelled spots are awarded to another group.

Cancellation Policy You are responsible to pay the full balance due on all spots awarded unless you cancel extra spots prior to the cancellation/final payment date for your group week (Oct. 31st for Jan groups, Jan 10th for March spring break groups, Jan 31st for April spring break groups, February 28th for May college weeks, March 31st for June and July high school weeks, May 31st for August Adult and Family Weeks, July 15th for September Adult Week, and August 15th for October college weeks). After that date, cancellations cannot be refunded unless Bethlehem Farm is able to replace the spots. If Bethlehem Farm can fill the spot(s), you will be refunded for every person we replace. The deposit of \$50 per person is non-refundable unless your group is not selected in the lottery system. Your non-refundable deposit reserves your spots until the cancellation/final payment date. After that date, Bethlehem Farm may award your spots to another group if final payment has not been received.

Age Limits High School group week volunteers must be 16 years or older, or entering their junior year of high school (except on family weeks). During college and adult weeks, volunteers must be at least 18 years old.

Chaperones (*High School Groups Only*) For high school weeks, you are required to bring an adequate number of chaperones. There must be one adult chaperone for every seven youth. We recommend that one of the chaperones be a youth/campus minister or someone involved in youth/campus ministry and at least 25 years of age. The other chaperones must be 21 years of age or older. If you are bringing a co-ed group of students, you must bring one female and one male chaperone. If you are bringing an all boys group, you must bring at least one male chaperone. If you are bringing an all girls group, you must bring at least one female chaperone.

Adult Participants (*High School & Family Weeks Only*) For high school and family weeks, all participants/chaperones who are 18 and over are required to complete an Adult Background Form. This form should be mailed to us with your volunteer contracts, medical forms, and hold-harmless agreements, at least thirty days prior to your scheduled week or by April 1st, whichever date arrives first. When you have reserved a week at the Farm, we will direct you to these forms on our website.

Vehicles We rely on groups to transport students to and from worksites throughout the week in your vehicles. Please communicate any limitations regarding use of your vehicles to us ahead of time. If your students need to be transported in Farm vehicles to get to their worksites, then we may add a fuel surcharge to your fees. We will need to know who is approved to drive each of your vehicles, so that we can assign work crews in such a way that all crews can get to their sites.

Road conditions in the vicinity of Bethlehem Farm include narrow gravel roads with hills and sharp turns. Such conditions pose increased risk of rollover accidents for 11 to 15 passenger vans. Therefore, out of concern for the safety of Bethlehem Farm Caretakers

and volunteers, and consistent with applicable law, Bethlehem Farm has adopted the following van policy.

11 to 15-passenger vans shall not be used for the transportation of minor children to or from Bethlehem Farm or any activities in connection Bethlehem Farm. A 11 to 15 passenger van is defined as a van designed to safely transport between 11 and 15 passengers, plus the driver, for a total up to 16 people, regardless of the actual number of seats or passengers.

11 to 15-passenger vans may be used for transportation of passengers who are 18 years of age or older. **Seats may not be removed from vans to reduce capacity and therefore to transport minor children.**

10-passenger vans (or smaller) may continue to be used for activities at and in connection with Bethlehem Farm. A 10-passenger van is defined as a van designed to transport nine passengers, plus the driver, for a total of ten people, regardless of the actual number of seats or passengers.

Groups that fail to comply with the above policies may be withheld from participating in the following year's registration process.

Week at a Glance

The Overview

At Bethlehem Farm, we are more than a “work camp” for volunteers. We invite volunteers to be a part of our mission and our home. We build community with each other by working, praying, laughing, and loving together. We live simply to appreciate the gifts that God has given us. We pray together to grow closer to God and to one another. We serve the local people, we serve each other, and we also open ourselves to be served by others. By living out the Gospel cornerstones of prayer, simplicity, service and community each day of our lives, we offer volunteers not just the opportunity for service, but the opportunity to experience another way of life.
